Update Details

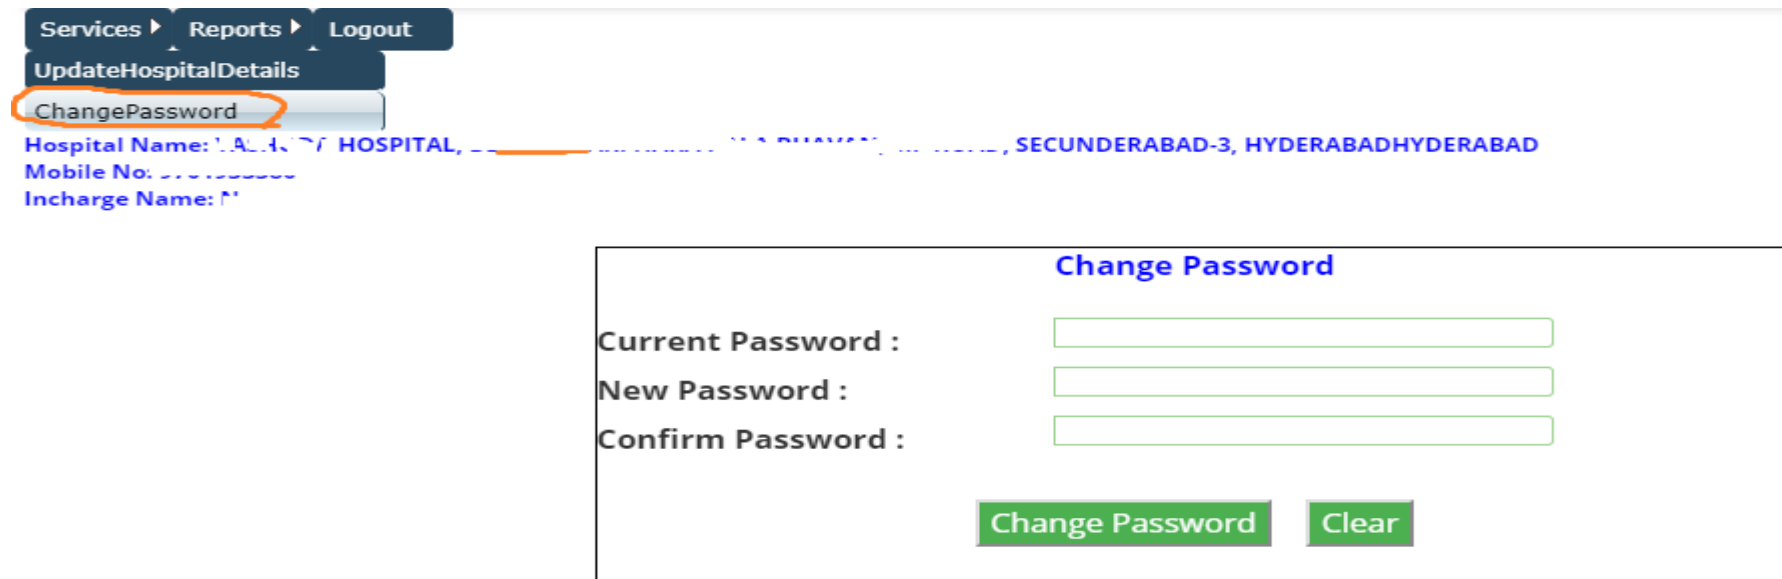

2) To change password: Click on services → Change Password

Enter Current Password, New Password and Confirm Password and Click on “Change Password”.

The password will be changed.

Note: If the user wants to clear the contents of all the three input fields then click on “Clear.”

The screenshot shows a web application interface. At the top, there is a navigation bar with buttons for 'Services', 'Reports', and 'Logout'. Below this, there is a dropdown menu with options 'UpdateHospitalDetails' and 'ChangePassword'. The 'ChangePassword' option is highlighted with an orange circle. Below the navigation bar, there is a section displaying hospital details: 'Hospital Name: LAKSHMI HOSPITAL, ... SECUNDERABAD-3, HYDERABADHYDERABAD', 'Mobile No: ...', and 'Incharge Name: ...'. To the right of this section, there is a box titled 'Change Password'. Inside this box, there are three input fields labeled 'Current Password :', 'New Password :', and 'Confirm Password :'. At the bottom of the box, there are two buttons: 'Change Password' and 'Clear'.

### 3) Hospital Dashboard:

The dashboard is only visible to those hospitals, which have filled the detailed registration form, after receiving the credentials from the CMRF department.
